Foster City, California 94404

Dear Dr. Britter,

On Friday, October 2, 2020 the San Mateo-Foster City School District was thrilled to receive a very generous donation of Personal Protection Equipment – Face Coverings as we support our students and staff safely returning to school during the COVID-19 pandemic. The community spirit and generosity shown by Dr. Britter and by the Peninsula Special Interest Lions Club was exemplary and greatly appreciated.

The San Mateo-Foster City School District (Tax I.D. # 94-3083935) is grateful and so appreciative of your generous contribution of 8000 face masks.

Once again we thank you for your extraordinary support of the San Mateo-Foster City School District. Our students and staff will remain safe as they return to school thanks to your generous donation. Thank you again Peninsula Special Interest Lions Club!

Sincerely,

Suzi Riley, Coordinator
Student Services-Nursing Department
